DEMOCRATS DELIVER!

Let's Move Forward Together!

Here's why rural and small-town voters should join us this November.

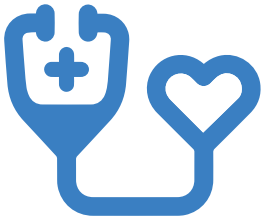
THE AMERICAN FREEDOM AGENDA

Democratic policies allow all Americans to be free!
We state our agenda and make it happen!

We believe in the freedom to pursue ...

Economic Prosperity

- Student loan forgiveness
- A living wage
- Social Security protection
- Dealing with inflation
- More jobs created in Biden's presidency than in any other presidency since Carter
- Fairer taxes (businesses and the wealthiest 1% pay more)



Personal Choices

- Affordable health care
- Women's reproductive rights
- Cheaper prices for life-saving medicines
- Marry the person we choose
- Medicaid funding for health care

A Good Quality of Life

- Freedom from voter intimidation
- Live without reckless gun violence
- Stay healthy with access to clean air, clean water, and safe food
- Enjoy our natural resources and the beauty of this country in national parks and recreation areas
- Live in a society dealing with and working to address the effects of climate change

Opportunities for Growth

- Well-resourced, public K–12 education
- Broadband access for all areas
- Affordable, quality day care
- Live in a democracy

To keep the freedoms we have and regain those that are slipping away,

VOTE for DEMOCRATS!
Vote the entire ballot!
